Ask Your Child About:

- Geometry!* When a circle is divided into four parts, and you make a $\frac{1}{2}$ turn, at what degree are you? (180 degrees)
- something new s/he learned about this week's Star of the Week: Thomas!
- Washington, DC in the 1800's. Why is the capitol located where it is?
- "I am from" poetry. What is one line of your poem?
- our Valentine's Day party!
- More Geometry!* What would this shape look like as a reflection?
Rotation? Translation? 
- Jump Rope for Heart!
- Sugarfoot, the storyteller who told stories to commemorate Black History month.
- Patricia Polacco's first book, Meteor! What does a "meteoric" event look like?
- what an **idiom** is. What are some examples we have on the idiom list in the classroom?
- the Winter Dance!
