

Ask Your Child About:

- Benjamin Banniker. What did s/he learn about Benjamin Banniker from the guest speaker who visited us from the park service?
- square multiplication facts. Why are they called square numbers? What are some examples that s/he knows?
- the *Mysterious Line Walker* game.
- James and the Giant Peach! Which reading group is s/he in? Has s/he started reading the book yet? Has s/he started his/her journal entry yet? If so, what is s/he writing about?
- what's happening in Performing Arts (dance) class.
- the murals the class is working on in Social Studies.
- which piece of writing s/he is submitting for Images.
- what a perpetual motion machine is.
- Extended facts in multiplication. If 5×7 is 35, what is 50×7 ? (350) What is 500×7 ? (3,500)
- the Auction project the class made, even Mrs. Yedwab!
