Ask Your Child About:

- how to play "Name That Number!" Try with the numbers 1, 4, 3, 5, and 7. The target number is 16!
- Energy! Where does energy come from? How does it get into our bodies? What are different types of fuels?
- the assembly we attended today - did s/he enjoy it?
- something new s/he learned about this week's Star of the Week - Simon!
- The Hickory Chair. How did Mrs. Yedwab react when she read the last page? What is it about? What are two details s/he remembers from the story?
- patterns! What is missing in this pattern? What is the rule?
23, 33, ____, ____, 63, 73, ____, 93
- having Library today! What book did s/he check out?
- our new writing project: A Favorite Object. What is his/her favorite object?

SAVE THESE DATES:

Friday, September 18th: Professional Development Day - No School
