

Ask Your Child About:

- patterns in multiplication. What do you notice about the 4s and 8s patterns?
- how to "read" art. What words can we use to observe (give facts) about art? How do we interpret (give opinions) about art?
- how to play *Circles and Stars*. Play at home!
- sequencing. Tell a parent at home the steps to making a cheese sandwich.
- something new s/he learned about this week's Star of the Week: Anna G.!
- an interesting historical fact about Lafayette Elementary School.
- Turkey math! What were the problems s/he helped to solve with Mrs. Jensen's students? How were they solved?
- Multiplication picture stories. Make one up for the 6, 7, 42 fact family!
- favorite family recipes! What foods has s/he learned about over the past few weeks?
