

Mystery Book Report

For your mystery book report, you will make a poster. Your poster will have the following elements:

- The title and author/illustrator.
- The setting - where and when does this story take place?
- The plot. Write a 3-5 sentence paragraph that describes each part of the plot: one paragraph for the beginning, one paragraph for the middle, and one paragraph for the end. Draw a picture to go with each part.
- The main characters (at least 3). You must list at least 3 things that describe each character. Include a drawing of an object that goes with each character.

As always, you must have correct grammar and spelling. Make sure to have a parent proofread your poster before you turn it in.

When you have some free time, look at the example I have in the classroom. It will help you to design your own poster.
